

Graduate Withdrawal Non-Returning

If you have decided to terminate your graduate program without intention of returning, please fill out the Graduate Permanent Withdrawal Form (https://cm.maxient.com/reportingform.php?LehighUniv&layout_id=103).

We also ask that you contact either the associate deputy provost for graduate education and life (610-758-4722) or your college graduate associate dean. We would like to talk with you about your decision and answer any questions you might have.

Please note: if you plan on suspending your program with the intention of returning, please read the Graduate Leave of Absence Policy (<http://catalog.lehigh.edu/graduatestudyandresearch/graduateleaveofabsence/>) and complete the Graduate Leave of Absence Form (https://cm.maxient.com/reportingform.php?LehighUniv&layout_id=101) instead.
